And there are sufficient numbers for a wide selection for the needs of everyone, be he a registered Shorthorn breeder or a commercial breeder. I have seen many of the cattle to be sold, and believe you me they are tops. And, as I have said many times before, you can get more Shorthorn quality in Missouri with less strain on your pocket book than anywhere I know. This is one sale you'll be glad you attended. We extend you a cordial welcome to be on hand for "Opportunity Day" for Shorthorn breeders or commercial breeders - Nov. 14, 1959. Come early enough for the Show at 9:30 A. M. Sale at 12:30 P. M.

State Show and Sale Champion and top selling bull. Kar-Burn Illustrious 2d is a full brother to this bull. The 1959 Mo. State Fair Grand Champion Shorthorn steer was also a son of Royal Talisman the 7th. This bull should meet the cattleman's demands of a future herd sire. At 10 months of age he had gained 2.93 lbs. per day. We haven't weighed him since. But he is certainly a rugged, smooth, deep kind of a bull with plenty of bone and a wonderful head and horns. With this breeding back of him, how can you miss?
